

Culinary Crow Menu

A die-cut menu with a reveal was created for Culinary Crow, a family-style restaurant on Pickering Wharf in historical Salem, Massachusetts. Salem has a high tourist turnout every year because of its history in connection with pirates, witchcraft, "Haunted Happenings" and the early colonies. The colors chosen are said to be appetite inducing and reflective of the "Halloween" atmosphere of the city. The fonts and logo design used not only fit with this atmospheric connotation, but are fun and inviting.
